MEMORANDUM FOR: See Distribution

SUBJECT : OSA/NRO Financial Cycle

1. Forwarded for your information and guidance are two copies of the OSA/NRO Financial Cycle Chart. This chart was distributed in XEROX form previously, but in its present form it will be more convenient to use for briefings. Unfolded copies are available on request to Programs Staff, OSA.

2. Please note that although steps one through four are behind schedule, we expect to be on schedule by step six. From that time on, we should be able to plan ahead for each step and to meet this schedule.
